MARCH 2023

Dear Students

Greetings from Dyal Singh Public School Sector 7 !

I wish the entire Dyal Singh community a very warm welcome to the new academic year 2023-24.

As always, I believe this new year will usher in a season of tremendous learning, numerous experiences and great achievements.

We quest to ensure a safe tranquil, stimulating and intellectually challenging environment to our students and our endeavour is to fulfill all the learning needs of students through shared collaboration and commitment to bring out the best in each one of them. School has grown by leaps and bounds and we continue to delight and celebrate the spirit of learning.

The most important elements in the school journey of a child apart from learning are good relationships, balance and trust. I hope this year brings much adventure, myriad opportunities, initiatives, innovative practices and great learning experiences which will prove to be a treasure trove of memories for the learners.

Best wishes to all of you for the new academic year.
