

# DYAL SINGH PUBLIC SCHOOL

## SECTOR-7

*August 2024*

Dear Students

As your term exams approach I want to encourage you to make the most of this crucial time. Success in exams reflects your consistent preparation and understanding. Set a study schedule that covers all topics especially those you find challenging. Regular revision reinforces concepts making you more confident on exam day. Break down your syllabus into manageable sections and study regularly as this is more effective than last-minute cramming.

Utilize all available resources, including textbooks and online tutorials. Don't hesitate to ask your teachers for clarification. Focus on understanding rather than memorizing as this aids in recalling and applying concepts during exams. Maintain a positive mindset and believe in your abilities.

Finally, take care of your health. Get enough sleep, eat well and take breaks during study sessions. Your hard work has prepared you for this moment—approach your exams with confidence.

Good luck!

Nikhil Sharma

PGT (Computer Science)

### WEBINAR ON ASPIRING RESOURCE PERSONS

Principal, Ma'am Shalini Narang attended a CBSE webinar on "Aspirant Resource Persons". The session focused on enhancing educators' skills, emphasizing effective communication, subject expertise and continuous professional development.
