

# DYAL SINGH PUBLIC SCHOOL SECTOR-7, KARNAL

**November,2022**

Dear students

We are almost on the verge of finishing one more year of togetherness. I am sure that it had been a year full of achievements and learning. We experienced various moments of joys and emotions together. Despite of everything, one has to aspire & dream.

Always remember that dreams come true when we are disciplined. In our fast-paced lives, we often have to run so fast to be a part of the crowd that we forget our own planned schedules which only leads to anxiety. The ultimate purpose of discipline is to give us a clear idea of life.

Discipline, hard-work mixed with perseverance lay foundation for a life worth living. So, my dear students, follow the famous quote: *'Discipline is the bridge between goals and accomplishment'*.

On behalf of Dyal Singh fraternity, I would like to wish you and your families a Merry Christmas and a Prosperous New Year 2023 ahead.
