

DYAL SINGH PUBLIC SCHOOL, SECTOR-7, KARNAL

December, 2022

Dear Parents

"Every sunset is an opportunity to reset. Every sunrise begins with new eyes." This quote by Richie Norton aptly briefs that endings always precede new beginnings.

So, this is time to bid a fond farewell to the year 2022 and welcome the new year with immeasurable pleasure. We

expect this new year will add on more feathers to our cap. With each passing year, we get more united and strongly committed for the betterment of our students. Every year leads us towards achievement of numerous milestones and gaining of infinite experiences. At times, we all may feel low and beaten but we must remember 'Self-Belief and Hardwork will always earn success.'

Let's obligate ourselves for the grooming of our 21st century learners which will help them in adapting comfortably in this VUCA world.

On behalf of entire DSPS-7 family, I wish you and your family a Happy New Year bursting with fulfilling and exciting opportunities and do remember, if opportunity doesn't knock, build a door!
