OCTOBER 2023

Dear Readers

Warm greetings to all of you!

Have you ever considered the reservoir of compassion, kindness and generosity concealed within the hearts of children? It is incumbent upon every educator to unlock this invaluable treasure and DSPS-7 serves as a stellar exemplar of unwavering commitment to this endeavour. For a quarter of a century, this institution has been fostering the budding minds of our community with the core belief that moral values provide the essential guidance for children to earn acceptance and respect in society.

As the radiant festival of Diwali approaches symbolizing unity, love and sharing, we find the perfect opportunity to instill these moral values in our children. Let us use this Diwali as a platform to spread messages of love and togetherness, inspiring others to do the same. Diwali's brilliance should not be confined to dazzling fireworks alone; instead, let it radiate throughout our entire community. This Diwali, let us make a solemn pledge to open the windows of our hearts and become the source of joy for others.

Wishing you all a joyous and enlightening Diwali celebration.

Warm regards
