

# DYAL SINGH PUBLIC SCHOOL, SECTOR-7, KARNAL

APRIL, 2024

प्रिय छात्रगण,

आशा ही नहीं अपितु पूर्ण विश्वास है कि आपने स्वयं को नई कक्षा में व नए पाठ्यक्रम में भली प्रकार से समायोजित कर लिया होगा। आप जहाँ भी रहें बस अपनी संगति पर पूर्ण ध्यान देना। मित्र बनाने से पहले उसके व्यक्तित्व को जाँच लेना अति आवश्यक है क्योंकि हमारा जीवन मूल रूप से हमारे आसपास के वातावरण से प्रभावित होता है। जैसा कि कबीरदास जी ने भी कहा है-

ज्ञानी को ज्ञानी मिलै, रस की लूटम लूट।  
ज्ञानी अज्ञानी मिलै, होवै माथा कूट।।

इतिहास में ऐसे कई उदाहरण हैं जब एक भटके हुए व्यक्ति को सत्संगति ने महान बना दिया। ऋषि वाल्मीकि को ही लें। पहले वह एक डाकू थे, सप्त ऋषि के वचनों से प्रभावित हो वे तपस्वी बने और बाद में उन्होंने 'रामायण' की रचना की। इसी प्रकार अंगुलिमाल एक क्रूर डाकू था। महात्मा बुद्ध से साक्षात्कार होने पर उसका जीवन ही बदल गया। अच्छे लोगों की संगति में दुर्गुण दूर होते हैं और सद्गुणों का विकास होता है-

कबीर संगति साधु की, निष्फल कभी न होए।  
होसी चंदन वासना, नीम न कहसी कोय।।

अतः प्यारे बच्चो, मित्रों के चुनाव में सतर्क रहें, ऐसे मित्र बनाएं जो आपको ऊँचाइयों तक ले जाए।

शुभाशीष

ममता ग्रोवर  
(हिंदी विभागाध्यक्षा)

## PROMOTING HEALTH AND HAPPINESS

Pre-primary teachers led World Health Day festivities emphasizing on the significance of nutritious food, exercise and hygiene.

Through interactive sessions and talks, students learnt that 'A healthy outside starts from the inside.'

## EXPLORING THE WORLD

Grade VI students accompanied by social science teachers explored the Geography lab to grasp the intricacies of maps and globe, thereby fostering a deeper understanding of our diverse world.

## INTER-SECTION STORYTELLING COMPETITION

Students of Grade V showcased moral-based tales with props, enhancing social and cognitive skills on World Book Day. Chief guest, Ms. Neena Arora awarded the certificates while Principal, Ma'am Shalini Narang praised the participants. Winners received storybooks to enhance their love for reading and learning.

## EMPOWERING EDUCATORS: ONLINE TRAINING FOR CBSE AFFILIATED SCHOOLS

CBSE and NCERT conducted a two-day online training for Grade III teachers via YouTube. Experts emphasized on textbook design to enhance pedagogical approaches, prioritize Arts and Physical Education and view textbooks as gateways to holistic learning.

## EXPERIENTIAL LEARNING IN THE BIOLOGY LAB

Students of LKG, UKG and Grade I & II visited the Biology Lab and learnt about the internal body parts and their functions. This immersive experience aimed to enhance practical understanding through interactive engagement.
