

# DYAL SINGH PUBLIC SCHOOL, SECTOR-7, KARNAL

MAY, 2024

Dear Students

Let's welcome another academic year filled with equations and problem-solving adventures. Students, Mathematics isn't just a subject; it's the key to understand the universe's intricacies. From snowflake symmetry to the logic woven into our surroundings, math is ubiquitous.

In our classroom, we'll shatter societal taboos and delve deep into its mysteries. In the meanwhile embrace curiosity and passion for this captivating subject. Use your summer break to hone your skills, solve puzzles and enjoy math-related games. It's a request to Parents to foster a consistent study schedule and celebrate small achievements to boost their ward's confidence.

Remember, with mathematics, the exploration never ends.

Dr. Nirmal Kumari  
HOD (Mathematics)

## SESSION ON WIND ENERGY

The school hosted a session on wind energy, led by Mr. Vibhu Narayan Mathur. The event educated teachers on wind power generation, its global impact and the importance of renewable energy for a sustainable future.

## HUB OF LEARNING

A meeting of Principals from the Hub of Learning, led by Ms Shalini Narang Principal leader School held at Prakash Public School, discussed revising the academic calendar, integrating art with subjects, transdisciplinary lesson plans, bridging gaps between learning objectives and outcomes and innovative lesson planning. Effective implementation of the Hub Activity Calendar and the upcoming book talk activity were also addressed.

## CELEBRATING LABOUR DAY: STUDENTS EXTENDED GRATITUDE TO SUPPORT STAFF

To celebrate and show appreciation towards the support staff, the school initiated various activities. A special class assembly was staged by students of IX D. They expressed their gratitude through speeches, poems and a performance that showcased the dignity of labour. The students of pre-primary presented flower sticks and cards to the support personnel. Class I and II engaged in a Fancy Dress Competition to honour the invaluable contribution of the helping hands within the school community. Students of Social Science Club presented Thank-you cards to the domestic help to make this day a memorable one.
